

APPROVED

A DEWITT COMPANY®

**TRUCKING
WITH
APPROVED**

A network of assets and partnerships for **your supply chain**

As an asset-based 3PL, we offer door-to-door solutions for companies of all sizes. Our facilities and equipment on the Mainland U.S., Hawaii, Guam, and Alaska provide fast and reliable over-the-road service. Whether you have 1 LTL shipment or 100 full-truck-loads, we'll move your goods efficiently.

Our clients gain access to a strategic network of partnerships. We offer competitive rates in high traffic lanes, and can source ground transport to and from anywhere in the U.S. We've spent years refining our system of certified carriers. So our customers can focus more on their business and less on moving their freight.

Approved has a team of dedicated drivers and expert traffic coordinators ready to move you forward.

Pick-Up and Delivery

Scheduling pick-up and delivery of your freight is easy. Our team will find a time that works for you.

Drayage & Intermodal

Need to get your container to or from the port? We can dray it. Our strategic location gives quick access to ocean transport hubs.

Transporting goods by ocean or rail? No problem. We can transfer your shipments to and from any mode.

Freight of All Kinds We handle all types of goods

Our freight management team is experienced in handling goods from many industries. We have HAZ-MAT certified staff and only work with the most capable partners. No matter what you need to move, be confident that it will arrive safely.

Your Neighborhood Trucking Partner

With over 300,000 square feet of storage space and freight facilities across the world we are always there when you need service most. We treat each of our clients with the **care and attention of a great neighbor**; by keeping you informed at every stage of the process.

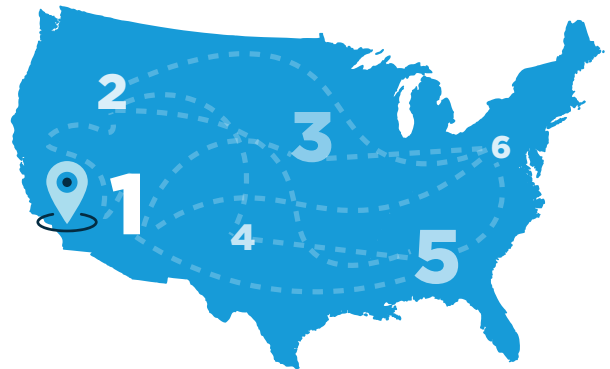

Our Account Managers develop workflows and processes that give you meaningful data and insight to help you plan more efficiently. Always know where your goods are through our tracking portal, and gather rate quotes quickly online. Approved makes shipping easy.

The Approved 'Ohana (*family in Hawaiian*) brings the Aloha Spirit to our work. Each day we strive to "Be Ohana," as we **work hard to help you grow**. Your success is vital to building a better tomorrow for our family.

TRUCKING with **APPROVED** is the choice for company's looking to centralize their transportation, and ship more **efficiently**. We offer our clients full supply chain solutions from your door to anywhere in the world.

Quick Service, In the **Zone**

Our comprehensive zone mapping provides you fast access to competitive rates. No matter where you are in the U.S. we can **pick-up** and **deliver**

CITY OF EXCELLENCE

Our main terminal in City of Industry, CA is the central hub for Approved operations. We manage our business every day to give our clients the best possible service.
